Eligible projects must be completed by May 1, 2015.

Applications will be assessed and the winning organization will be notified no later than July 15, 2014. Two reports will be required from the winning organization during the length of the project: one progress report by September 15, 2014; and one upon completion of the project. **Funds will not be forwarded to the organization until the first report has been received and approved.**

Within 30 days of the completion of the project, the winning organization must submit a final report to the Toronto Beach Rotary Club. This report must include copies of receipts and invoices for the project.
